SAUNA

BARREL

Size	Capacity	Sauna Size	Room Length	Heater Size
6x4	2-person	72" x 48"	41"	4.5kw heater
6x6	4-person	72" x 72"	65"	6.0kw heater
6x8	6-person	72" x 96"	89"	8.0kw heater

FEATURES

- Tongue and Groove Canadian red cedar: 1-3/8" finished thickness
- Stainless steel hinges, heater and fasteners
- Tempered and tinted full glass door with self-closing hinges
- 2 benches

INCLUDES

Electric heater, bucket with ladle, thermometer and interior light

The Barrel sauna is not designed as a totally dry product, as wood expands and contracts. Weathering will expand the wood to seal leaks, however long periods of dry weather will shrink the wood and possibly cause leaks

CANOPY

Size	Capacity	Sauna Size	Room Length	Heater Size
6x6 (5+1)	4-person	72" x 72"	54"	4.5kw heater
